Economic Paper 1	S	
Monday 1 June 2015 – Aft Time: 2 hours 30 minute		Paper Reference 4ECO/01
You do not need any other n	naterials.	Total Marks

Instructions

- Use **black** ink or ball-point pen.
- **Fill in the boxes** at the top of this page with your name, centre number and candidate number.
- Answer **all** questions.
- Answer the questions in the spaces provided
 - there may be more space than you need.

Information

- The total mark for this paper is 120.
- The marks for **each** question are shown in brackets
 - use this as a guide as to how much time to spend on each question.
- Calculators may be used.

Advice

- Read each question carefully before you start to answer it.
- Try to answer every question.
- Check your answers if you have time at the end.

4	Wal-Mart, the multinational United States retailer, has bought a majority share in Massmart, the South African retailer. The South African Government has concerns that this may lead to an increase in cheap imports and a fall in demand for goods from local suppliers. Trade unions state that Wal-Mart's record in other countries has resulted in massive job losses.		
	(a) (i) Define the term 'multinational'.		
		(2)	
	(ii) Briefly explain two reasons why Wal-Mart might want to be involved in the retail market in South Africa.	(4)	

(iii) Do the advantages of a large, multinational retailer entering a country outweigh the disadvantages? Give reasons for your answer.	(6)

Figure 4a shows the exchange rate of the British Pound (GBP) in terms of the Euro (EUR) and the Australian Dollar (AUD) in 2012 and 2013.

Exchange rate of GBP(£) to EUR and AUD in 2012 and 2013

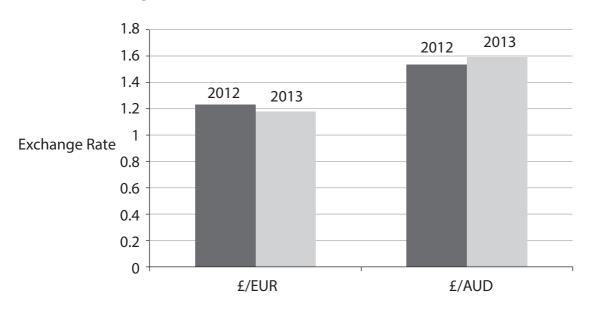

Figure 4a

(b) (i) From 2012 to 2013 the British pound depreciated against which currency?

(1)

- Australian Dollar (AUD)

(ii) Using the data in Figure 4a, explain your answer to (b)(i).

(3)

(iii) Changes in a country's interest rates can affect the exchange rate of its currency. Explain this statement.	(4)
	(4)
(iv) Identify and briefly explain one other factor that can affect the exchange rate	
of a country's currency.	(4)

(v) Is the depreciation of its currency an advantage country? Give reasons for your answer.	ge or disadvantage for a
